AUREOLE

COME FOLLOW ME

What do we gain from all our work? I know the heavy burdens that God has laid on us. He has set the right time for everything. He has given us a desire to know the future, but never gives us the satisfaction of fully understanding what he does. So I realize that all we can do is be happy and do the best we can while we are still alive. All of us should eat and drink and enjoy what we have worked for. It is God's gift.

I know that everything God does will last forever. You can't add anything to it or take anything away from it. And one thing God does is to make reverence for him. Whatever happens or can happen has already happened before. God makes the same thing happen again and again.

The 1984 J.V. Football season was a year of growth for the entire team. Of the 31 team members, 28 of them were freshman, but this didn't stop the progress the team made during the season. One of the season highlights was defeating the mustangs 31 - 14. It was the first time in the last six years the Leopards have defeated Lutheran North in J.V. Football.

With the large number of returning J.V. Football players for the next year, the football program at West looks bright.

Scoreboard 1984

The Lady Leopards compiled a 9-5 league record, giving them a third place tie in the Metro Conference. Over all they finished 12-9 with several outstanding victories. Through out the season the lady cagers grew in skill and poise which undoubtedly contributed to their double victories over sister school Lutheran East. The highlight of the season was an upset over arch-rival Lutheran North. The Class B no. 6 ranked North team was undefeated til the Lady Leopards handed them a 46-43 loss.

Four seniors led the team, Tracey Gunnell, Monika Van Devender, Lisa Walker and LaShon Williams. Lisa Walker and Tracey Gunnell led the team in scoring averaging 11.3 and 8 points per game respectively. LaShon Williams out rebounded her teammates averaging 7 rebounds per game while Monika Van Devender grabbed second place in rebounds with an average of 5.4 per game. Also all Metro Conference honors were bestowed upon three players. First team all conference Lisa Walker, Second team all conference Tracey Gunnell, and honorable mention, LaShon Williams.

Improvement is the one word which best describes this year's J.V. Basketball Team. Each member improved their individual skills, which led to improved team play. Each game we played we had as our goal to improve in one area. That goal was met and we enjoyed a successful season.

The 1984 Cross Country season can be termed as one of the best ever in Lutheran West history. For the third year in a row, and only the fifth time in West's history, the Boys Varsity qualified a full team to the State Final Meet. This time the team finished in 7th place in class C, an improvement over their 11th place of a year ago. The team had been ranked in the top 10 throughout the season.

This finish at the state meet capped off an excellent season as the boys team finished with a dual meet record of 8-1, their only loss coming at the hands of Metro Conference Champion Cranbrook, who eventually finished 6th in the State Meet in class B. Besides the dual meet victories, they were also in 3 straight invitationals, "The Victors." As well as being the Regional Champs.

Senior co-captains Steve Craw and John Sillanpaa led the team, which also included Varsity runners Marcus Tarver, David Stuebe, Larry Hamilton, Sean Green, and David Gerlach. Craw was voted Most Valuable by the team, Tarver was most Improved, and Gerlach was Rookie-of-the-year. In addition, by their placing in the Conference Meet, Tarver and Craw made the All-Conference team.

The girls team was not quite as successful, but with a young team, they gained valuable experience which will help them in the future. Co-captains Alicia Shelby and Lynn Bryer led the team to a 1-3 dual meet record, and in addition, Shelby qualified for the State Meet by virtue of her top 10 Individual finish at the Regional Meet. She was voted as Most Valuable by her teammates and Leah Laho received both Most Improved and Rookie-of-the-Year honors.

Coach Dave Brown was pleased with the performances of all of the runners, and he attributed their success this year to the hard work, dedication and unity of the team, which they showed throughout the season.

It was a struggling season for the Varsity Volleyball team due to a lot of illnesses and injuries on the team. Rebuilding and working at team unity comprises a majority of the time this season. The team ended up with a record of 13 wins and 4 losses, and placed 4th in conference. The Captain, Monika VanDevender, was the only senior the majority of the season and was also the main setter on the team. Five Juniors on the team took care of the spiking! Anna Ziesmer, Rachel Ritthaler, Sue Maier, Kelly Best, and Lynn Hoffman. Three Sophomores who played their first year of Varsity were Gail Lienau, Maria Brayboy, and Kris Stier. With most of the team returning next year, leadership and unity should be strong.

Did you ever wonder what cheerleaders are for? You see them all the time. How can you miss them? They stand right in front of you at the football games, basketball games, and pep rallies. They jump and scream and smile a lot. But what are they for?

Well, to those who pay attention it's obvious. The job of a cheerleader is to maintain school spirit and make sure that fans support the team. This is not an easy job nor is it very rewarding, but it was accomplished by a small group of very dedicated young women.

There are three squads of cheerleaders that cover five different teams here at West. The Freshman squad: Dimetria H., Sarah J., Nicole D., Tomya D., Jeanine B. and Kelly M. valiantly supported the Freshman basketball team.

The Junior Varsity squad: Lori G., Millicent S., Deana R., Julie D., Martha C., Anise W. smiled their way through both J.V. football and J.V. basketball.

Last but not least, we have the Varsity squad. This year's squad included Seniors- Kathy Schmidt (Captain) and Tabbi Woods, Juniors- Andrea Germaine, Kris Bird, LaNise Bartley, and Sophomores- Beth Reschke, Kim Smith. Varsity often have the toughest job due to the large crowds they deal with. This year's squad more than fulfilled their duty.

Thanks Ladies, for another Great year!!

The 1984-85 Varsity Cheerleaders

The Lutheran West Hi-Steppers had a fairly good season this year

The squad leaders are captain Britt Lee, co captain Rosemary Rivera, two lieutenants Kelli Chambass and Monica McPhail and their sponsor Mrs. Gladney

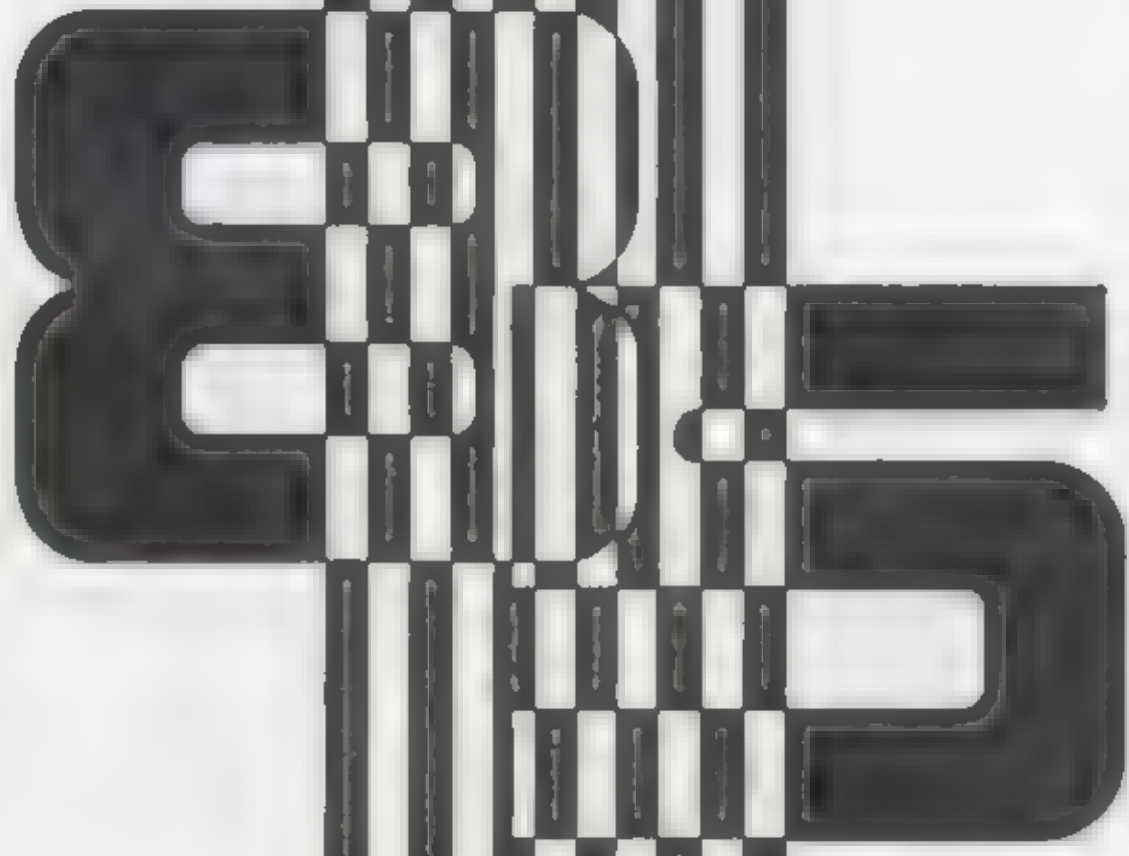

With six seniors leaving, the 10 member squad indulged in heavy practices every Mon, Wed, and Fri. from 3:20 until 4:30.

A lot of hard work and sheer determination was put into their performances at every varsity boys home football and basketball games

Over-all the season was quite entertaining

Under the Motto "Soli Deo Gloria" (To God alone the Glory) the Concert Choir, Mixed Chorus, and Symphonic Band sang and played our Maker's praises in many different places. The chorus performed at church services, chapel, a Lutheran High Association Delegates' Meeting, and at the Cultural Centers "Noel Night". The new Music director, Mr. John Schuman, showed West that the band, too, can worship they played in chapel services and took a leading role in the "Christmas Service of Lessons and Carols" at Outer Drive Faith, as well as presenting a concert of their own in March.

Says Mr. Schuman, "I've enjoyed working with these groups at West. Despite the changes of a different teacher, West's students showed their talent and responded to the challenge. "Christ must be the key to what we do, whether old traditions or new ideas."

GERMAN CLUB

The German Club President Steve Mastets

German class is a setting where students learn the language by using conjunctions, modifiers, and genders effectively. There is, however, another "setting" where students can enjoy the customs, traditions, foods, and history. This can be found in German Club.

Meetings are held to plan activities and projects and to share thoughts and ideas. Sales are held to raise money and projects are done to better educate the club members. All in all, German Club is set up to create a well rounded, well informed, well educated German student.
